Section	
38-05-01-01	Definitions

38-05-01-01. Definitions. In this article, unless the context or other subject matter requires:

1. "Construction and building contractors' equipment" means vehicles and equipment used in the construction or improvement of buildings, highways, bridges, or other structures and also including housemovers' equipment and vehicles, and specialized oilfield vehicles commonly referred to as rig-up trucks or gin trucks.
2. "Hay grinder" means a self-propelled or towed implement of husbandry used commercially for grinding hay or straw.
3. "Implement of husbandry" means every vehicle designed and adapted exclusively for agricultural, horticultural, or livestock-raising operations or for lifting or carrying an implement of husbandry.
4. "Self-propelled fertilizer spreader" means a factory-built vehicle or a truck converted with equipment mounted for the purpose of spreading liquid or dry fertilizer commercially on farm or ranch fields.

History: Effective June 1, 1986.

General Authority: NDCC 39-12-04

Law Implemented: NDCC 39-12-04
